BEAR ELECTIVE ADVENTURES: ROBOTICS

Additional checkoff sheets and helps are available from ScouterMom.com.

Complete at least four of the following. Note: BSA is retiring this adventure on May 31, 2022.										
1. Identify six tasks performed by robots										
2. Learn about some instances where a robot could be used in place of a human for work. Research one robot that does this type of work, and present what you learn to your den.										
3. Build a robot hand. Show how it works like a human hand and how it is different from a human hand.										
4. Build your own robot.										
5. Visit a place that uses robots.
