

BEAR ELECTIVE ADVENTURES: ROBOTICS

Additional requirement sheets and helps are available from ScouterMom.com.

Complete at least four of the following:

1. Identify six tasks performed by robots
2. Learn about some instances where a robot could be used in place of a human for work. Research one robot that does this type of work, and present what you learn to your den.
3. Build a robot hand. Show how it works like a human hand and how it is different from a human hand.
4. Build your own robot.
5. Visit a place that uses robots.
