<https://scoutermom.com/2006/edible-campfires-recipe/>

Ingredients

- Pretzel rods
- Pretzel sticks
- Chow mein noodles
- Shredded wheat, shredded (the full size type works better than the spoon size)
- Candy corn
- Red hots
- Yellow, orange, and red fruitrollups, cut into small strips
- Paper plates

Directions

1. Using the pretzel rods as logs, pretzel sticks and chow mein noodles as sticks, and shredded wheat as tinder, arrange the ingredients like you are building a fire on the paper plate.
2. "Light" the fire by adding candy corn, red hots, and bits of fruit rollups
3. Enjoy!
