

# THE NOBLE CAPTAIN KIRK SONG

*Sing to the tune of Grand Old  
Duke of York*

The noble Captain Kirk,  
he had 500 men.  
He beamed them  
up to the Enterprise,  
And he beamed  
down again.  
And when they're up,  
they're up,  
And when they're down,  
they're down,  
And when they're only  
halfway up,  
They're nowhere  
to be found.
