

# I HAVE TO GO WEE SKIT

<https://scoutermom.com/1205/i-have-to-go-wee-skit/>

## Actors:

- Group of Scouts
- Waking Scout
- Leader (Patrol leader, Den leader, Den chief, etc.)

**Leader: Its time to get in your sleeping bags and go to sleep.**

*Scouts lie down on the floor in a row, like they are sleeping. Some might be snoring. The leader should be at one end of the row and the waking Scout should be all the way on the other end of the row.*

*The waking Scout pokes the Scout next to him and says. **I have to go wee!***

*Each Scout in turn passes the message along to the next person in the row: **<Waking Scout's Name> has to go wee.***

*When the message gets to the leader, he says. **We just went wee. Tell <Waking Scout's name> to go back to sleep.***

*This message gets passed back down the row to the Scout at the end. There is a little more snoring and the waking Scout pokes the guy next to him and says. **I really have to go wee!***

*The message get's passed back to the leader again. He tells them to pass the message back to go to sleep again. This can go back and forth a couple more times. Finally, the last time, the leader says. **OK, tell <Waking Scout's name> to go wee.***

*The message gets passed back to the guy at the end. He jumps up and runs around yelling **Weeeeeeeeeeeeeeeee!!!!!!***

*Then he lies down and goes to sleep.*
