<https://scoutermom.com/6451/princess-pat-song/>

The Princess Pat (*make a crown on your head with your hands*)
Lived in a tree (*put your arms up to make a tree*)
She sailed across (*move your hands in a wavy motion*)
The seven seas (*hold up seven fingers*)
She sailed across (*waves with hands again*)
the channel too (*hold up two fingers*)
and took with her (*act like your are pulling something*)
a Ric-A-Dam-Doo (*walk like an Egyptian*)

Refrain:

A Ric-A-Dam-Doo (*walk like an Egyptian*)
Now what is that? (*make an I don't know gesture with your hands*)
Its something made (*hammering motion*)
By the Princess Pat (*repeat crown motion*)
Its red and gold (*hand on right hip*)
and purple too (*point to the left*)
That's why its called (*put hands in front of mouth*)
a Ric-A-Dam-Doo (*walk like an Egyptian*)

Now Captain Jack (*stand at attention*)
and his loyal crew (*salute*)
They sailed across (*move your hands in a wavy motion*)
the channel too (*hold up two fingers*)
but their ship sank (*sink down*)
and your's will too (*point to the audience*)
if you don't take (*act like you are pulling something*)
a Ric-A-Dam-Doo (*walk like an Egyptian*)

Repeat Refrain

Now Captain Kirk (*make muscle arms*)
he was no jerk (*wave your finger like you are saying no*)
And Mr. Spock (*hold your fingers up by your ears*)
he was no jock (*wave your finger like you are saying no*)
But their ship flew (*make a flying motion*)
and yours will too (*hold up two fingers*)
If you just bring (*act like you are pulling something*)
a Ric-A-Dam-Doo (*walk like an Egyptian*)

Repeat Refrain
