## Lyrics

Um ah, went the little green frog one day  
Um ah, went the little green frog  
Um ah, went the little green frog one day  
His eyes went um and ah.

Honk honk, went the big red truck one day  
Honk honk went the big red truck  
Squish squash, went the little green frog that day  
Squish squash went the little green frog  
His eyes didn't go um ah anymore  
Cause he got eaten by a dog!

Woof Woof!

## Actions

When you sing um ah, open and close your hands like eyes opening and shutting.

When you sing honk honk make the universal sign for a truck driver honking his horn.

When you sing squish squash, put your hands together like you are squashing something.
