Cubmaster: Everyone stand up! Parents also! Now I want to see how many of you can stick out your tongues and touch your noses.

Most will try to touch their tongues to their noses. It is a very funny sight. After about 30 seconds to a minute, the Cubmaster intervenes.

Cubmaster: You are doing it the hard way. I'll show you the easy way.

The Cubmaster sticks out his tongue and simultaneously touches his nose with his finger.
