PIRANHA BALL

Equipment

- A ball which floats, such as a beach ball

Instructions

1. Have all of the players form a circle and hold hands.
2. Place a ball in the middle of the circle. The ball is the Piranha.
3. If the ball touches a player, that player is out. The remaining players rejoin hands to close the circle again.
4. Continue playing until only one player remains.

Notes

- Lowering your hands to let the ball out of the circle is not allowed.
- You may blow the ball, try to make waves to move the ball, or try to pull other players toward it.
