<https://scoutermom.com/547/walking-tacos-recipe/>

Equipment

- Charcoal and Dutch oven
- or use a camp stove and a cooking pot
- Utensils for stirring and serving

Ingredients

- 2 pounds ground beef
- 2 packages of taco seasoning
- water
- lettuce
- 16 individual serving sized Frito bags
- shredded cheddar cheese
- salsa

Instructions

Preparation (before leaving for camp)

1. Thoroughly cook the ground beef. Add the taco seasoning and water according to the directions on the taco seasoning packets. Cool and pack into containers.
2. Shred the lettuce and pack into containers.

At camp

1. Prepare your charcoal if necessary. Heat the taco meat in the Dutch oven or on the stove.
2. To serve, crunch up a bag of Fritos and then open it. Put a heaping spoonful of meat in the bag. Add some shredded cheese. Top with lettuce and salsa. Eat with a fork directly out of the bag.
