Ingredients

- 3 small powder sugar donuts
- 3 thin pretzel sticks
- a few mini chocolate chips
- tube of red decorator icing not the gel, can share this item

Instructions

- Put a donut on a plate and stick a pretzel stick through the hole in the middle of the donut.
- Stack two more donuts on top, pushing the pretzel stick through them as you go.
- You should now have a stack of three donuts with a pretzel stick in the middle holding them together. Add two more pretzel sticks as arms.
- Push in mini chocolate chips for a face and buttons. (This was the most difficult part. Push them all the way in so they don't fall out.)
- Use the red icing to make a hat on top.
- Admire.
