

1. Cut out the square.
2. Make the creases. Fold it vertically. Open it. Fold it horizontally. Open it. Fold it diagonally in one direction. Open it. Fold it diagonally in the opposite direction. Open it.
3. You should have an unfolded square. Flip your square over so you can't see the questions.
4. Fold each corner to the center. You should see a square flag.
5. Flip it over so you can see the side with the questions. Fold each corner into the center.
6. Fold in the flaps by folding it horizontally.
7. Slide your pointer fingers and thumbs into the flaps.
8. Now you can play with your cootie catcher!
