

WHAT'S IN THE BAG GAME

<https://scoutermom.com/324/whats-in-the-bag-game/>

Materials

- Paper bags
- Tape or staples
- One object for each letter
- One card or sheet of paper for each scout
- Pencils

Instructions

1. On the paper bags, print one letter of the words BE PREPARED. (Or use a different word or phrase and adjust the number of bags.)
2. In each bag, place an object which begins with the letter written on the bag.
3. Seal the bags with tape or staples.
4. Line up the bags on a table so they spell out the word or phrase written on the bag.
5. Give each scout a card or sheet of paper and a pencil.
6. Have each scout write BE PREPARED (or the word or phrase you used) vertically on the card so he has a place to write something for each letter. (You might want to have a sample card to show them.)
7. Let the scouts feel and shake the bags, but not look inside.
8. Have them write down next to each letter what they think is in the bag marked with the letter.
9. After a set amount of time, reveal what is in each bag so they can see how many they guessed correctly.
