<https://scoutermom.com/10309/announcements-song/>

Announcements, announcements, announcements.

*(To the tune of A Farmer in the Dell)*

A terrible way to die, a terrible way to die,  
It's a terrible thing to be talked to death.  
A terrible way to die.

Announcements, announcements, announcements.

*(To the tune of London Bridge Is Falling Down)*

Keep announcements short and sweet,  
Short and sweet,  
Short and sweet.  
Keep announcements short and sweet,  
Cause they're boring

Announcements, announcements, announcements.

*(To the tune of Have You Ever Seen a Lassie)*

Have you ever heard a windbag,  
A windbag, a windbag,  
Have you ever heard a windbag.  
Well there's one right now.  
Blows this way and that way,  
Blows this way and that way,  
Have you ever heard a windbag,  
Well there's one right now.

Announcements, announcements, announcements.

*(To the tune of Frère Jacques)*

Words of wisdom,  
Words of wisdom.  
Here they come,  
Here they come.  
Boring words of wisdom,  
Boring words of wisdom.  
Dum, dum, dum,  
Dum, dum, dum.
