Supplies and Setup

To get started with "Stocking Surprise," you'll need the following supplies:

- **Socks:** Prepare one sock for each participant. You can use colorful, festive socks or plain ones, depending on your preference.
- **Stocking Fillers:** Choose 4 or 5 small, non-breakable items to place inside each stocking. Be creative and consider items that engage different senses. You can include objects with scents, items that make noise when shaken, or anything that sparks curiosity and intrigue.
- **Safety Pins:** Use safety pins to securely close the top of each sock, ensuring that the surprises inside remain hidden until it's time to reveal them.

The Game

1. **Distribute the Stockings:** Hand out one stocking to each participant, making sure everyone has their own.
2. **Engage the Senses:** Encourage participants to use their senses to try and guess what lies hidden within their stockings. They can touch, feel, smell, and even shake the stockings to gather clues about the contents inside.
3. **Guessing Time:** Once everyone has had a chance to explore their stockings and make their guesses, gather everyone together for the big reveal.
4. **Unveiling the Surprises:** Invite participants to open their stockings simultaneously, uncovering the hidden treasures within. As each stocking is opened, the excitement will mount, and the guesses made earlier will be put to the test.

Party Favors for All Ages

To make the game even more enjoyable, consider turning the stockings into party favors that participants can take home. Tailor the contents based on the age group and preferences of your attendees. Here are a few suggestions:

- **Younger Children:** Fill the stockings with small stuffed animals, candy, crayons, small toys, or any age-appropriate trinkets that will bring smiles to their faces.
- **Teens:** Add some playful and slightly more mature items to the mix. Consider including gag gifts, mini puzzles, novelty items, or other amusing surprises that will resonate with their sense of humor.
