

Faith and Our Ancestors Game

Ask a person the question in the square and fill in their answer.

You must use a different person for each square.

What do you think convinced your ancestors to journey to the United States of America?	Do you think your ancestors were brave to travel across the ocean to get here?	Do you think they had faith that they would arrive safely?
What does faith mean to you?	What kind of house do you think your ancestors lived in? Do you think it was like yours?	Do you think your ancestors went to school? What kind of education do you think they had?
What kind of jobs do you think your ancestors had?	Do you have a family tradition that your ancestors handed down to you?	Do you have a favorite meal or recipe that your ancestors once made?
